

Catalog#: FLEX CONNECTORS SQUEEZE TYPE WITH INSULATED THROAT
FLEX CONNECTORS SQUEEZE TYPE WITH INSULATED THROAT

Category PIPE FITTING
Page [D12](#)

Description:

Orbit Industries' straight squeeze type connectors with insulated throats are used in dry locations to bond flexible metal conduits to boxes or enclosures. Orbit Industries' flex connectors have rugged metallic construction and they are durable. The rugged metallic construction ensures mechanical protection and the conduit to the designated electrical junction box or enclosure. Their insulated plastic throat prevents wires from being cut or skinned by sharp edges when being pulled through conduits.

Features:

- Zinc Die Cast
- With Insulated Throat (Yellow, Insulated color may vary)
- Sizes 3/8" & 1/2" are also for AC (BX)

Certifications:

UL File Number:
