Catalog#: EMT TO FLEX COUPLINGS SET-SCREW/ SQUEEZE
EMT TO FLEX COUPLINGS SET-SCREW/ SQUEEZE

Category	PIPE FITTING
Page	D15

Description:

Orbit Industries' EMT to flexible metal conduit squeeze-type combination couplings are used to connect EMT conduits to flexible metal conduits. Orbit Industries' couplings have rugged metallic construction and they are durable. The rugged metallic construction ensures mechanical protection and connection between one conduit and another. They allow a quick connection between different conduits to create one continuous raceway. Their smooth interior surface ensures a snag free wire pull every time.

Features:

- Zinc Die Cast

Certifications:

UL File Number:

E310658
