

FLOOR BRACKET TOOLS

UMA-LVBS TOOL-LESS STAND

PRODUCT FEATURES

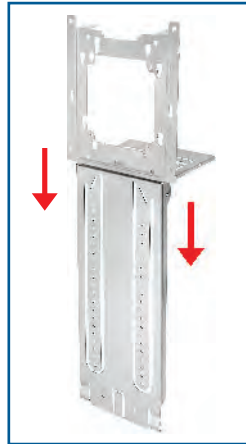

- ▶ Pair with UMA-LVBS to transform into a floor bracket
- ▶ Positions boxes at 18" box center
- ▶ Streamlines inventory by standardizing on a single bracket system for both wall and floor applications
- ▶ Optional Stud Supports can be folded out when installed between studs
- ▶ Bendable bottom center mark ensures accurate bracket placement, even after drywall installation
- ▶ Bottom tabs allow for LVBS-STAND to be dropped onto the stud track
- ▶ Complies with ADA accessibility standards, supporting a 15" minimum height for comfortable forward reach from a wheelchair
