

SPECIFICATION & FEATURES

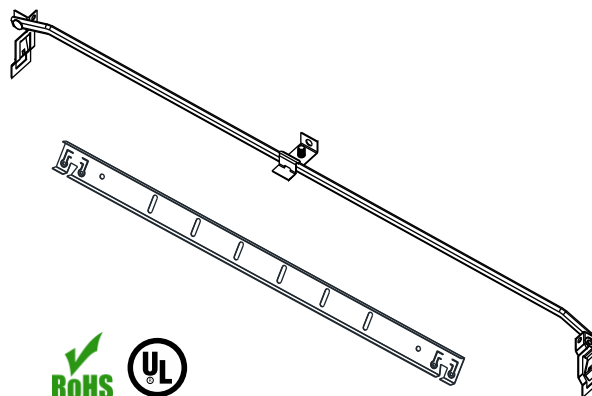

FIXED BAR HANGERS

DESCRIPTION:

Orbit Industries' Fixed Bar Hangers are used to securely install electrical and ceiling boxes that are offset from studs or joists. Orbit Industries offers a variety of designs, including T-bar brackets, straight bar hangers, offset bar hangers, and more. The T-bar bracket allows the ceiling box to slide along the bar after mounting. The BHT-1A model include height adjustment of the bracket up to 8" for a flush finish with the ceiling. Selected models include slots, BH-C box clips, or rings for ease of installation.

CERTIFICATION:

UL file E227970, conforms to UL514A.

FEATURES

For Stud and T-Bar
